

BENDie ^{4x4} TRUXTA

Compact Articulated Mini Dumper

Think Green • Think TRUXTA Battery Powered ^{EV} TRUXTA

300 BENDie - 300kg (660lbs) payload, articulated

450 BENDie - 450kg (990lbs) payload, articulated

Available as: 24v Battery • Honda Petrol

BENDie
TRUXTA 4x4

mini dumper

Tufftruk Limited introduce a range of TRUXTA powered mini dumpers that provide maximum versatility and light touch operation, available with battery power and petrol power units.

The new BENDie 4x4 mini dumper provides access even in the tightest corners. The TRUXTA 4x4 is really compact and gets into places other units can't.

With a skip capacity the TRUXTA BENDie mini dumper offers excellent load capacity in and around sites and gardens.

A BENDie mini dumper's articulated chassis means the TRUXTA handles corners with minimum effort - just steer around bends and corners - no need to lift or reposition.

TRUXTA 4x4 Articulated

The **Squeeze & Go Controls** (no mechanical gearboxes) make for the easiest use for any operator, weak or strong.

It's the patented 'steering pivot drive system' that provides ultimate manoeuvrability in a compact size. Combine this with a 300kg (660lbs) or 450kg (990lbs) skip capacity and flotation tyres fitted as standard.

Built for the Green Environment

Battery Powered Mini Dumper

- 8 HOURS RUNTIME
- OVERNIGHT SMART CHARGE
- DUAL VOLTAGE

- 4X4 AND EASY TO MANOEUVRE
- EASY TO OPERATE IN TIGHT SPACES
- PATENTED CENTRE STEERING SYSTEM

- BUILT-IN MOTOR BRAKE SYSTEM
- SAFE PARKING BRAKE
- REGENERATIVE BRAKING SYSTEM

Packed full of key features

With the TRUXTA petrol, you get a smooth operation built for durability - hydrostatic system - no slipping belts - sealed for life and maintenance free. Easily transportable from site to site and compact enough to store.

The fail-safe dead-man brake system and intuitive hydrostatic controls gives the TRUXTA operator the safest possible operation.

The TRUXTA - 2 stage self-tipping skip requires no manual lifting. The ultimate Skip Tip Angle **equals** no leftovers, just a Totally Empty Skip.

Robust heavy duty construction and a **well-balanced skip** means the TRUXTA is built for all sorts of materials and tough terrains.

TRUXTA^{4x4} Attachments

Easy fit attachments for a variety of applications.

- TRUXTA Flatbed complete with log poles
- TRUXTA Towball offers different positions for different sizes of trailer
- TRUXTA Snow Plough offers a easy to use winter utilities attachment
- TRUXTA Power-Tip with a discharge height of 252mm
- TRUXTA Power-Tip-Plus discharge height of 589mm
- TRUXTA Skip extensions for lightweight building materials
- TRUXTA Skip tipping control for controlled tipping

TRUXTA^{4x4}EV

Gets to Work Everywhere

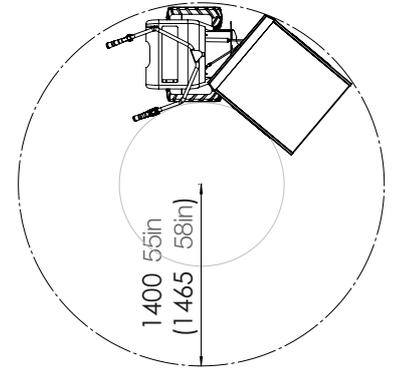

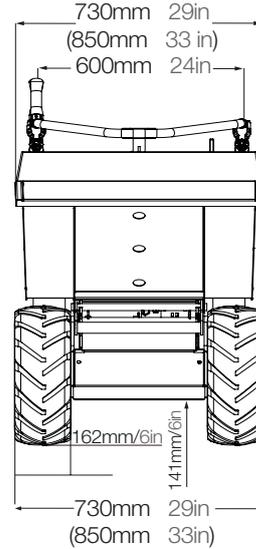

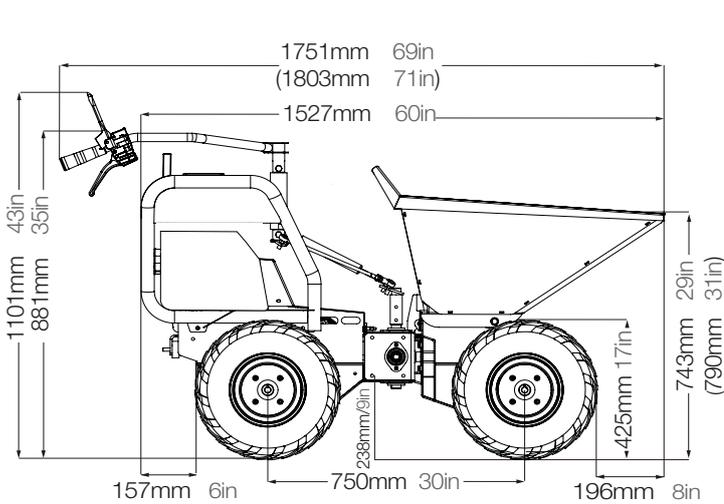

The New TRUXTA Bendie EV 4x4 mini dumper uniquely available as a battery powered option. Operators get a quiet environmentally friendly option for use anywhere - no emissions and quiet for noise sensitive environments.

The TRUXTA electric has a regenerative-braking system to help the slow down when stopping; this generates power into battery pack, to increase efficiency and range.

For use indoor or outdoor the well balanced TRUXTA fits through typical doorways (2ft 6" B300 or 3ft B450).
